IPP is a secure Governmentwide, Web-based invoice processing service offered free of charge to Government Agencies and their suppliers.

A one-time enrollment in IPP will generate a series of emails that will be sent to the point of contact established in your SAM.gov account. The first email will be from “IPP User Administration” and will contain the IPP login ID and link to the IPP Website. A second email from “Treasure UPS User Administration” containing the password will be sent within 24 hours. Once both emails are received, the Contractor will login to the IPP application and complete the registration process. After login, you will be able to access IPP training information.

IPP System benefits include the ability to create invoices directly from a contract award and submit them electronically, as well as:

- Email notification when invoice(s) are paid
- Online payment history
- Email notification when you are awarded a new contract

The email notification of payment is sent when a payment is distributed to your bank account and will include all pertinent payment information. For additional information, please visit the www.ipp.gov website to learn more. The IPP Customer Support Desk is available to assist users Monday through Friday (excluding Federal holidays) from 8 a.m. to 6 p.m. ET, to answer questions related to accessing IPP or completing the registration process. Their toll-free number is 1-866-973.3131 or they can be reached at IPPCustomerSupport@fms.treas.gov.

(a) *Inspection/Acceptance.* The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The Government reserves the right to inspect or test any supplies or services that have been tendered for acceptance. The Government may require repair or replacement of nonconforming supplies or reperformance of nonconforming services at no increase in contract price. The Government must exercise its postacceptance rights (1) within a reasonable time after the defect was discovered or should have been discovered; and (2) before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

- (C) Affected contract line item or subline item, if applicable; and
- (D) Contractor point of contact.

(ii) Provide a copy of the remittance and supporting documentation to the Contracting Officer.

(6) *Interest.* (i) All amounts that become payable by the Contractor to the Government under this contract shall bear simple interest from the date due until paid unless paid within 30 days of becoming due. The interest rate shall be the interest rate established by the Secretary of the Treasury as provided in 41 U.S.C. 7109, which is applicable to the period in which the amount becomes due, as provided in (i)(6)(v) of this clause, and then at the rate applicable for each six-month period as fixed by the Secretary until the amount is paid.

Subject to the terms of this contract, the Contractor shall be paid a percentage of the contract price reflecting the percentage of the work performed prior to the notice of termination, plus reasonable

(m) *Termination for cause.* The Government may terminate this contract, or any part hereof, for cause in the event of any default by the Contractor, or if the Contractor fails to comply with any contract terms and conditions, or fails to provide the Government, upon request, with adequate assurances of future performance. In the event of termination for cause, the Government shall not be liable to the Contractor for any amount for supplies or services not accepted, and the Contractor shall be liable to the Government for any and all rights and remedies provided by law. (n) *Title.* Unless specified elsewhere in this contract, title to items furnished under this contract shall pass to the Government upon acceptance, regardless of when or where the Government takes physical possession.

(o) *Warranty.* The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

To remain registered in the SAM database after the initial registration, the Contractor is required to review and update on an annual basis from the date of initial registration or subsequent updates its information in the SAM database to ensure it is current, accurate and complete. Updating information in the SAM does not alter the terms and conditions of this contract and is not a substitute for a properly executed contractual document.

(2)(i) If a Contractor has legally changed its business name, "doing business as" name, or division name (whichever is shown on the contract), or has transferred the assets used in performing the contract, but has not completed the necessary requirements regarding novation and change-of-name agreements in FAR subpart 42.12, the Contractor shall provide the responsible Contracting Officer a minimum of one business day's written notification of its intention to (A) change the name in the SAM database; (B) comply with the requirements of subpart 42.12; and (C) agree in writing to the timeline and procedures specified by the responsible Contracting Officer. Claims). Assignees shall be separately registered in the SAM database. Information provided to the Contractor's SAM record that indicates payments, including those made by EFT, to an ultimate recipient other than that Contractor will be considered to be incorrect information within the meaning of the "Suspension of payment" paragraph of the EFT clause of this contract.

(u) *Unauthorized Obligations*. (1) Except as stated in paragraph (u)(2) of this clause, when any supply or service acquired under this contract is subject to any End User License Agreement (EULA), Terms of Service (TOS), or similar legal instrument or agreement, that includes any clause requiring the Government to indemnify the Contractor or any person or entity for damages, costs, fees, or any other loss or liability that would create an Anti-Deficiency Act violation (31 U.S.C. 1341), the following shall govern:

(i) Any such clause is unenforceable against the Government.

(ii) Neither the Government nor any Government authorized end user shall be deemed to have agreed to such clause by virtue of it appearing in the EULA, TOS, or similar legal instrument or agreement. If the EULA, TOS, or similar legal instrument or agreement is invoked through an "I agree" click box or other comparable mechanism (e.g., "click-wrap" or "browse-wrap" agreements), execution does not bind the Government or any Government authorized end user to such clause.

(iii) Any such clause is deemed to be stricken from the EULA, TOS, or similar legal instrument or agreement.

(2) Paragraph (u)(1) of this clause does not apply to indemnification by the Government that is expressly authorized by statute and specifically authorized under applicable agency regulations and procedures.

(v) *Incorporation by reference*. The Contractor's representations and certifications, including those completed electronically via the System for Award Management (SAM), are incorporated by reference into the contract.

(4) ___ Have, ___ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.* (A) The taxpayer has received a statutory notice of deficiency, under I.R.C. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(i) Certification Regarding Knowledge of Child Labor for *Listed End Products* (Executive Order 13126). (*The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at 22.1503(b).*)

SECTION VII – AWARD DETERMINATION

VII.1 Evaluation

Technical Proposal Instructions

The proposal shall be evaluated in accordance with the evaluation criteria listed under VII.2 Evaluation Factors for Award. To assist in the evaluation of proposals, an offeror shall submit the following information:

Offerors ability:

- Supply the quantities of items listed on the Schedule of items
- Provide items that meet the desired minimum specifications
- Meet the delivery date

VII.2 Evaluation Factors for Award

A contract will be awarded to the lowest-priced technically acceptable offeror. Proposals will be evaluated for acceptability but will not be ranked using the non-cost/price factors. In order to be eligible for award, offerors must receive a rating of “acceptable” in every non-price factor/subfactor. In the interest of economy and efficiency, the Government will start by evaluating the technical proposal of the lowest-priced offeror and will award to that offeror if the technical proposal is rated “technically acceptable”. If the lowest offeror receives a rating of “unacceptable” in any of the non-cost factors, the Government will then move on to evaluating the technical proposal of the next lowest offeror and so on until a proposal is rated “technically acceptable”. Therefore, the technical proposals of the non-low price offerors may or may not be evaluated.

The Factors and Subfactors below will be used to determine technical acceptability. Offerors must receive a rating of “acceptable” on all Factors considered for award.

Factor#1: Technical Approach

In order to receive a rating of “acceptable” for this factor, offeror’s must achieve a rating of “acceptable” for all of the following subfactors:

Subfactor #1: Supply the quantities of items listed

In order to receive a rating of “acceptable” for this subfactor, offeror must, at a minimum, provide a statement indicating their ability to supply the desired quantities of items listed in the schedule of items.

Subfactor #2: Provide items that meet the desired minimum specifications

In order to receive a rating of “acceptable” for this subfactor, offeror must, at a minimum, provide descriptive information that enables the evaluators to determine that the items proposed on the quote will meet or exceed the minimum specifications for the items.

Subfactor #3: Ability to meet the delivery date

In order to receive a rating of “acceptable” for this subfactor, offeror must, at a minimum, provide an acceptable delivery schedule that meets or occurs prior to the delivery date indicated for this order.
